A Project Report On

College Management System

Kamani Science & Prataprai Arts College

Educamp.edu

Developed By

Urmil Rupareliya

Guide By

Mr.Ravi Joshi

Mr.Rakesh Savaliya

Submitted in partial fulfillment of the requirement

For the award of the degree of Bachelor of Computer Applications (BCA)

Year of Submission

2021

Preface

The main objective of any computer science student is to get practical Knowledge as possible. Being able to have a practical knowledge by developing a project is a lifetime experience. As practical knowledge is important as theoretical knowledge, we are thankful of having a project.

Through the development of the project we had a great experience of various strategies that can be applied in development of the project. This project is the stepping stone for our career.

We are pleased to present this project report. Proper care has been taken while organizing the report so that it is easy to comprehend. Also, various software engineering concepts have been implemented.

Acknowledgement

We are student of BCA sem-6 Studying in the Kamani Science Collage, Amreli. We Thanks to the entire person who has given their support in shaping of the system.

We thank my friend Smit , Rakesh Sir Savaliya for giving us guidance and Co-operation in understanding the system. We also thank them for their unconditional help in making of this project.

We have great deal of gratitude towards our head of department who encourage us in taking up this activity. We thank all faculties and administrative staffs of the institute.

Thanks to all

Urmil Rupareliya

Introduction

The College Management Site Provide User to manage college activities and system.

- 1) When user registrar on this website they get password in email.
- 2) User has to sign up in the site for create account and take admission online and student can see their profile.
- 3) After sign up user can see admission and if admission is approved by admin then they can see and print their assignments and other features.
- 4) User can also pay their fines when they make mistakes in college and if they not pay fine they can't access other features.
- 5) They can see notice on noticeboard.

Time Line Chart

Each Segment Specify a Day.

Project Profile

➤ Project Name	:	EduCamp (College Management System)
➤ Developed By	:	Urmil Rupareliya
➤ Front End Tool	:	Asp.Net, C#
➤ Back End Tool	:	Microsoft SQL Server 2012
➤ Operating System	:	Microsoft Window 7 & Windows 10
➤ Computer System	:	Core to Duo or Higher, RAM: 256 MB
➤ Project Details	:	The College Management Site Provide User to manage college activities and system.
➤ Completion Time	:	3 Months
➤ Guide By	:	Mr. Joshi Ravi
➤ Submitted By	:	Saurashtra University, Rajkot

Hardware Requirement

- 512+ MB of RAM
- Multimedia Keyboard And Mouse
- 1.0+GHz Processor
- Monitor

Software Requirement

- Operating System : Microsoft Windows 7 & Windows 10
- Front End Tools : ASP.net, C#
- Back End Tools : Microsoft SQL Server 2012
- Documentation Tools : Microsoft Word 2010
- Browser specification : Chrome

Requirement Specifications

- Microsoft SQL Server 2012 RDBMS used to maintain the all concerned data.
- Uses special views to display data.
- Display all types of data using classified reports with combinations of multiple tables.
- Special searching for SMTP protocol for email sending.

Problem Definition

- Maintain Student Profile
- Maintain Faculty Profile
- Maintain Admissions
- Maintain Courses
- Maintain Assignments
- Maintain Fines
- Maintain Notice

Project Planning & Scheduling

The “College Management System” is a system about College. In this system, Student have their profile and in that profile they can manage admissions, assignments, fines, etc. Faculties also can create their accounts and manager students.

Before selecting this subject, I have thought that why we are not working on real world projects and at that time I think this corona situation, let me make project that help to peoples who want to manage college during quarantine, and I make this system.

System Analysis

System analysis is the process of identification of objectives and requirements, evaluation of alternative solutions and recommendation for a more feasible solution. In other words, system analysis is the step by step process of gathering, recording and interpreting facts. The main aim of analysis is to determine problem areas and to take solutions to reduce or eliminate them.

➤ System analysis itself breaks into two stages:

- 1. Preliminary analysis**
- 2. Detailed analysis**

During analysis, data are collected from the available files, decision points and transactions of the systems using various tools like Data Flow Diagram (DFD).

Feasibility Study

A purpose of feasibility study is to check out the possibility of a computerized solution to the organization's observed problem before very much money that has been spent on.

A feasibility study is carried out to select the best system that meets performance requirements. Only by spending the time to evaluate the feasibility do I reduce the chances for extreme embarrassment at later stage of the system project.

For the complete feasibility study, I need to concentrate on following area:

They are of three types:

1. Technical
2. Operational
3. Economical

➤ Technical

Technical feasibility considers whether the desired project can be completed within the framework of available technology. As our project was website designing, this was not much of a problem, as many advanced web-editing tools are available.

➤ Operational

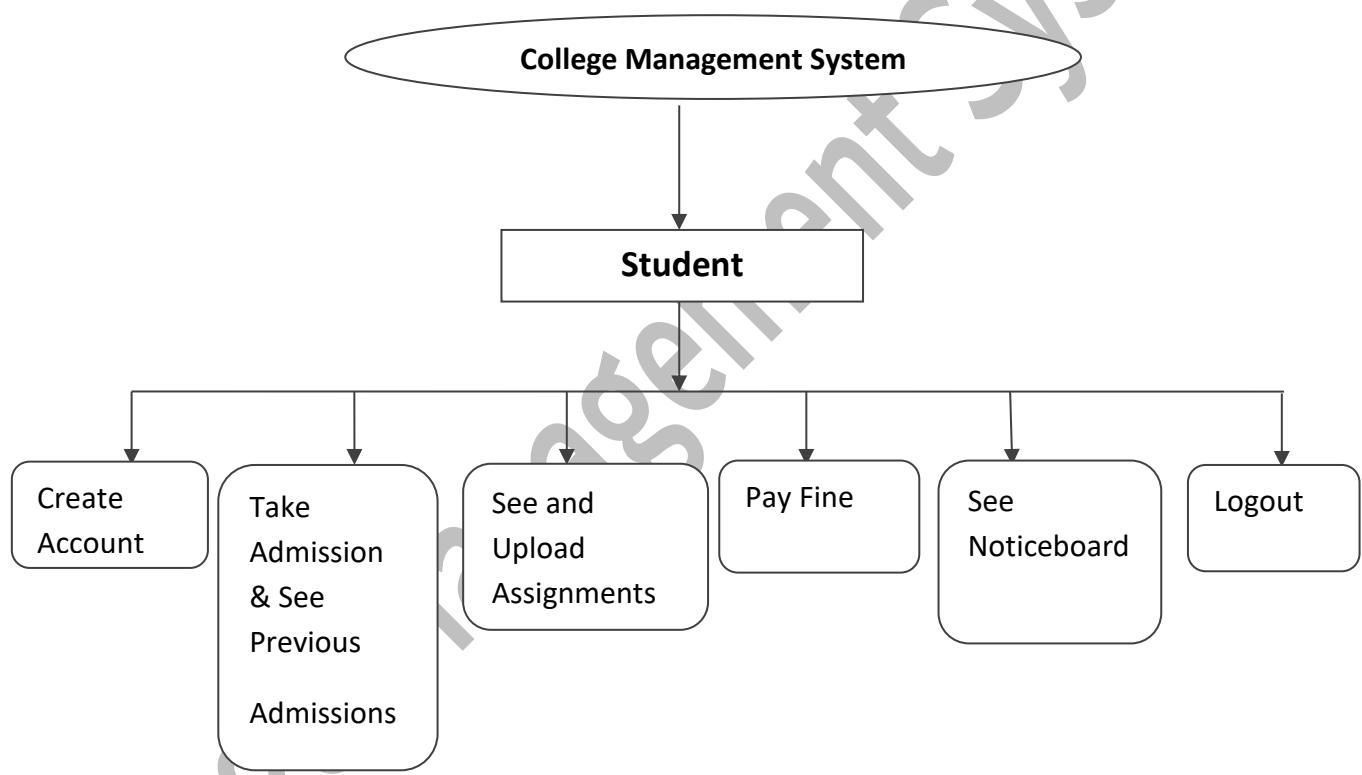

Operational feasibility was done to assure that the product that would be developed would be used. Since cards and gifts must have a website of its own sooner or later, that wasn't much of a problem

➤ Economical

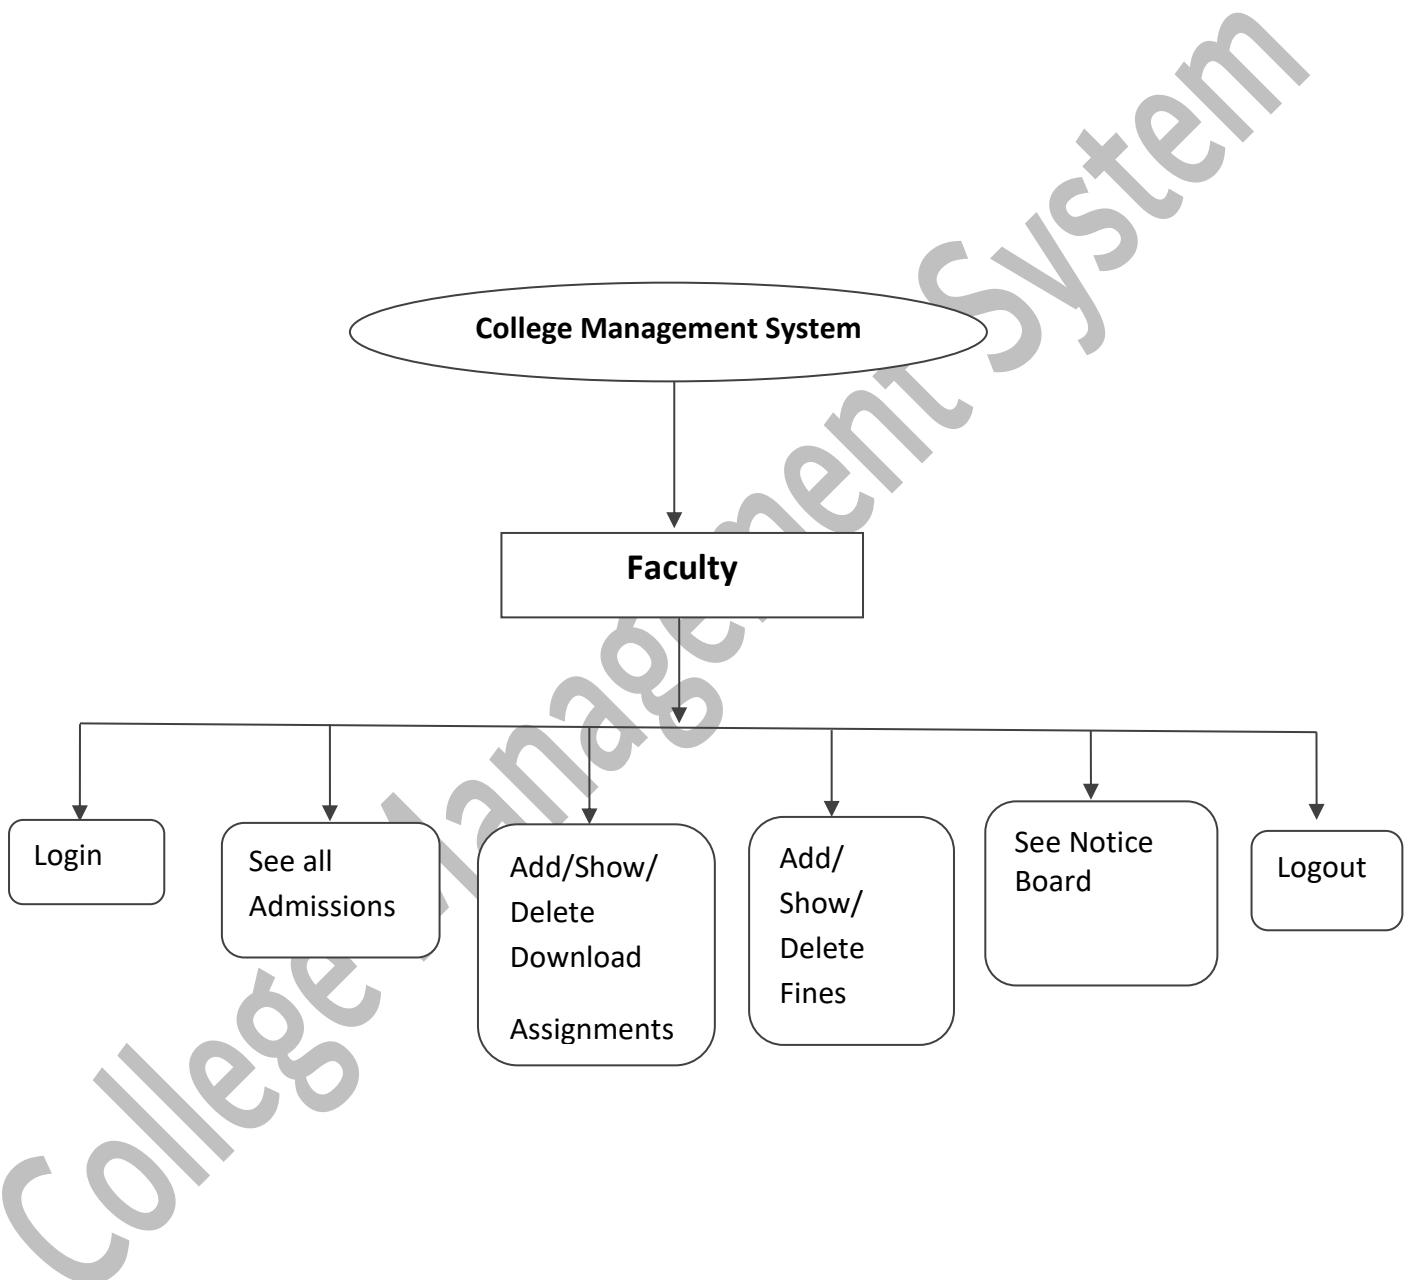

Our Commercial Website is Economically Feasible Because. We have developed this website only for one time. Only future enhancement is required on the other hand every client can view our site any time or many times as per their requirement. So, the future economical expenses are null. So we can say that this website is totally economically feasible.

Project Page Structure

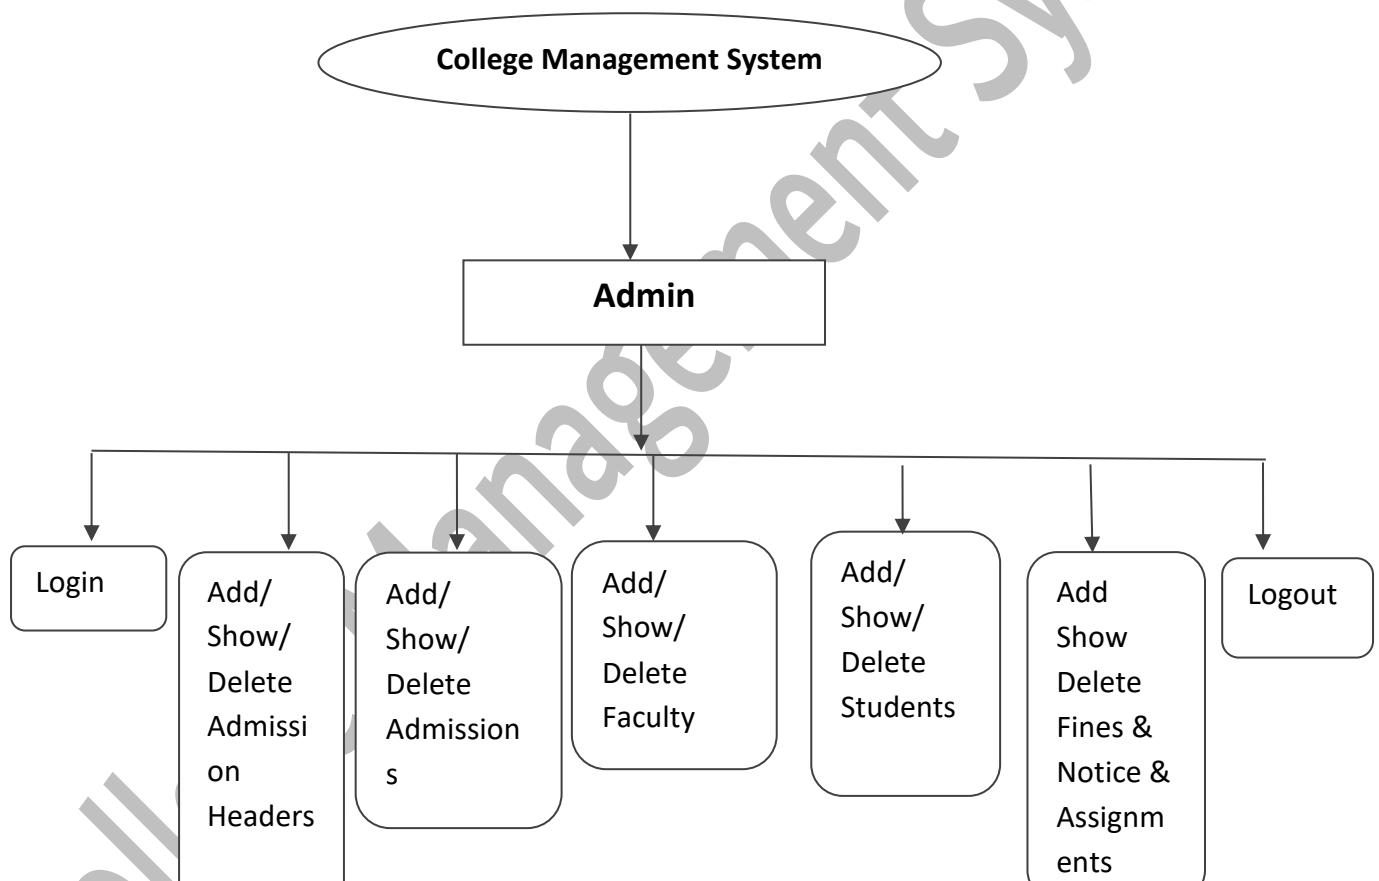

➤ Student Side

➤ **Faculty Side**

➤ **Admin Side**

Data Dictionary

The data Dictionary is a set of table. Microsoft SQL server 2012 uses it to maintain information about this own database.

➤ **Data dictionary contains the following information:**

- Name of the table of database.
- User information such as privileges.
- Name and data-type of all columns in database table.

Database Name: covid19.sql

1) Admin:

Column Name	Data Type	Allow Nulls
admin_id	int	<input type="checkbox"/>
admin_username	nvarchar(50)	<input type="checkbox"/>
admin_password	nvarchar(50)	<input type="checkbox"/>

2) Admission Headers:

Column Name	Data Type	Allow Nulls
ah_id	int	<input type="checkbox"/>
ah_course	nvarchar(50)	<input type="checkbox"/>
ah_sem	int	<input type="checkbox"/>
ah_fees	int	<input type="checkbox"/>
ah_startdate	date	<input type="checkbox"/>
ah_enddate	date	<input type="checkbox"/>
ah_start_termdate	date	<input type="checkbox"/>
ah_end_termdate	date	<input checked="" type="checkbox"/>
		<input type="checkbox"/>

3) Admissions:

Column Name	Data Type	Allow Nulls
ad_id	int	<input type="checkbox"/>
ad_ah	int	<input type="checkbox"/>
ad_course	int	<input type="checkbox"/>
ad_sem	int	<input type="checkbox"/>
ad_student	int	<input type="checkbox"/>
ad_rollno	int	<input type="checkbox"/>
ad_fees	int	<input type="checkbox"/>
ad_payment	nvarchar(50)	<input type="checkbox"/>
ad_date	date	<input type="checkbox"/>
ad_status	nvarchar(50)	<input type="checkbox"/>
		<input type="checkbox"/>

4) Courses:

Column Name	Data Type	Allow Nulls
c_id	int	<input type="checkbox"/>
c_name	nvarchar(50)	<input type="checkbox"/>
c_maxsem	int	<input type="checkbox"/>
c_fees	int	<input type="checkbox"/>
c_status	int	<input type="checkbox"/>

5) Faculty:

Column Name	Data Type	Allow Nulls
f_id	int	<input type="checkbox"/>
f_name	nvarchar(50)	<input type="checkbox"/>
f_dob	nvarchar(50)	<input type="checkbox"/>
f_gender	nvarchar(50)	<input type="checkbox"/>
f_mobile	nvarchar(50)	<input type="checkbox"/>
f_email	nvarchar(50)	<input type="checkbox"/>
f_address	nvarchar(150)	<input type="checkbox"/>
f_city	nvarchar(50)	<input type="checkbox"/>
f_pincode	nvarchar(50)	<input type="checkbox"/>
f_image	nvarchar(50)	<input type="checkbox"/>
f_password	nvarchar(50)	<input type="checkbox"/>

6) Students:

Column Name	Data Type	Allow Nulls
s_id	int	<input type="checkbox"/>
s_name	nvarchar(50)	<input type="checkbox"/>
s_fathername	nvarchar(50)	<input type="checkbox"/>
s_dob	date	<input type="checkbox"/>
s_gender	nvarchar(50)	<input type="checkbox"/>
s_mobile	bigint	<input type="checkbox"/>
s_email	nvarchar(50)	<input type="checkbox"/>
s_address	nvarchar(250)	<input type="checkbox"/>
s_city	nvarchar(50)	<input type="checkbox"/>
s_pincode	int	<input type="checkbox"/>
s_image	nvarchar(50)	<input type="checkbox"/>
s_course	int	<input type="checkbox"/>
s_gr	nvarchar(50)	<input type="checkbox"/>
s_password	nvarchar(50)	<input type="checkbox"/>
		<input type="checkbox"/>

7) Assignments:

Column Name	Data Type	Allow Nulls
a_id	int	<input type="checkbox"/>
a_title	nvarchar(550)	<input type="checkbox"/>
a_file	nchar(150)	<input type="checkbox"/>
a_sdate	date	<input type="checkbox"/>
a_edate	date	<input type="checkbox"/>
a_ah_id	nvarchar(50)	<input type="checkbox"/>
		<input type="checkbox"/>

8) Submissions:

	Column Name	Data Type	Allow Nulls
PK	sub_id	int	<input type="checkbox"/>
	sub_file	nvarchar(50)	<input checked="" type="checkbox"/>
	sub_a_id	int	<input type="checkbox"/>
	sub_user_id	int	<input type="checkbox"/>
			<input type="checkbox"/>

9) Fine:

	Column Name	Data Type	Allow Nulls
PK	f_id	int	<input type="checkbox"/>
	f_student	nvarchar(50)	<input type="checkbox"/>
	f_title	nvarchar(50)	<input type="checkbox"/>
	f_amount	int	<input type="checkbox"/>
	f_status	nvarchar(50)	<input type="checkbox"/>
			<input type="checkbox"/>

10) Notice:

	Column Name	Data Type	Allow Nulls
PK	n_id	int	<input type="checkbox"/>
	n_title	nvarchar(50)	<input type="checkbox"/>
	n_desc	nvarchar(1200)	<input type="checkbox"/>
	n_date	date	<input type="checkbox"/>
			<input type="checkbox"/>

Screenshots :

The screenshot shows the EduCamp website homepage. At the top, there's a dark banner with a background image of three students. The banner includes a 'Ask A Question' link, an email address 'admin@educamp.org', and 'Login | Register' buttons. The main header 'EduCamp' has sub-navigation: 'STUDENT CORNER', 'CAMPUS', and 'MANAGEMENT'. Below the banner, the tagline 'Batter Education For A Better' and the heading 'Welcome To EduCamp' are displayed, followed by the sub-tagline 'Your First Step Is To Define Yourself. Your Destiny Is To Redefine The World.' Two buttons, 'CONTACT US' and 'READ MORE', are visible. Below this, there are three thumbnail images with circular icons: 'Best Industry Leaders' (classroom), 'Learn Courses Online' (students at a desk), and 'Book Library & Store' (classroom). The main content area features a dark header with the EduCamp logo and navigation. Below it, a section titled 'Popular Courses' shows four course cards for 'Introduction EduCamp - LMS plugin' in 'Programming'. Each card includes a thumbnail, title, price (\$120), and a 3-star review icon.

Course Title	Category	Price	Reviews
Introduction EduCamp - LMS plugin	Programming	\$120	3 Review ★★★☆☆
Introduction EduCamp - LMS plugin	Programming	\$120	3 Review ★★★☆☆
Introduction EduCamp - LMS plugin	Programming	\$120	3 Review ★★★☆☆
Introduction EduCamp - LMS plugin	Programming	\$120	3 Review ★★★☆☆

The screenshot shows an advertisement for 'Online Courses To Learn' with the tagline 'Own Your Feature Learning New Skills Online'. It features a purple background with a yellow arrow icon in the top right corner.

The screenshot shows the homepage of the EduChamp website. At the top, there's a dark navigation bar with the EduChamp logo, "STUDENT CORNER", "CAMPUS", and "MANAGEMENT" dropdown menus, and a search icon. Below the header is a purple banner with the text "Online Courses To Learn" and "Own Your Feature Learning New Skills Online". A search bar with the placeholder "What do you want to learn today?" and a yellow "Search" button are also present. Three callout boxes below the banner provide statistics: "Over 5 million student" (4M), "30,000 Courses." (23K), and "Learn Anythink Online." (15K).

College Management System

2021

The screenshot displays the EduChamp Education & Courses website interface, specifically the 'ASSIGNMENTS' section.

User Profile: On the left sidebar, there is a user profile picture of a woman with glasses, labeled "khushali trivedi" and "khushi@gmail.com". Below the profile, there are navigation links: "Students", "Assignments" (which is highlighted in yellow), and "Fine".

Assignment Management: The main content area is titled "ASSIGNMENTS". It features a "Add Assignment" button at the top. Below it, there are fields for "Course" (with a dropdown menu showing "--Select--"), "Assignment Title" (an input field), and "Upload your Assignment File" (a file input field showing "Choose File No file chosen"). There are also date pickers for "Start Date" and "End Date". At the bottom of this section is another "Add Assignment" button.

Assignment List: Below the "Add Assignment" section is a table titled "Assignments". The table has columns: Assignment ID, Title, File, Start Date, End Date, Download, View, and Delete. It lists two assignments:

Assignment ID	Title	File	Start Date	End Date	Download	View	Delete
1	HTML and CSS	34_Introduction.pdf	11-04-2021	11-04-2021	Download	View	Delete
2	New Assignment	5_Variables_and_Data_Types.pdf	11-04-2021	11-04-2021	Download	View	Delete

Footer: The footer includes the EduChamp logo, social media icons (Facebook, Twitter, LinkedIn), a "Join Now" button, and links for "Sign Up For A Newsletter", "Company", "Get In Touch", "Courses", and "Our Gallery".

The screenshot shows the 'Faculty Profile' section of the College Management System. At the top, there's a navigation bar with 'EduChamp Education & Courses', 'STUDENT CORNER', 'CAMPUS', 'MANAGEMENT', and a search icon. Below the navigation is a banner with the text 'Faculty Profile'. Underneath the banner, the page title 'Home > Faculty Profile' is displayed. On the left, there's a sidebar for the user 'khushali trivedi' (khushi@gmail.com) with options for 'Students', 'Assignments', and a yellow-highlighted 'Fine' button. The main content area is titled 'PENDING FINES' and contains a table with one row of data:

Fine ID	Students	Title	Amount	Status	Delete
15	smit	Productivity problem	100	Pending	<button>Delete</button>

The screenshot shows the 'Fine' management page. At the top, there's a navigation bar with 'Ask a Question', 'admin@educamp.org', 'Logout', and a search icon. Below the navigation is a banner with the text 'Fine'. Underneath the banner, the page title 'Home > Fine' is displayed. On the left, there's a sidebar for the user 'khushali trivedi' (khushi@gmail.com). The main content area is titled 'FINES' and contains a form for adding a new fine:

Add Fines

Student Name:

Fine Title:

Fine:

Add Fine

Below the form is a table with a single row:

Fines
View Details

The screenshot shows the 'Assignment Submissions' section of the system. On the left, there's a sidebar with a user profile for 'khushali trivedi' (khushi@gmail.com) and a yellow button labeled 'Assignment Submissions'. The main area has a dark purple header with the title 'Assignment Submissions'. Below the header is a table showing assignment submissions:

GR no.	Name	File	Download
2021BCA1	shiva	MARKETIdeas.pdf	<button>view</button>
GR no.	Name	File	Download

The screenshot shows the 'Admin Login' page. It features a central white login form with a purple header 'Admin Login'. The form contains two input fields: 'username or email' and 'password', and a purple 'SIGN IN' button. The background of the page is a blurred image of a green and purple succulent plant. At the top of the page, there's a dark navigation bar with the 'EduChamp Education & Courses' logo, social media links (Facebook, Twitter, LinkedIn), and a 'Join Now' button. Below the navigation bar, there are links for 'Sign Up For A Newsletter', 'Company', 'Get In Touch', 'Courses', and 'Our Gallery'.
